We mentioned in our results to 31 March 2017 that the Group had a number of loss making entities that were weighing on the Group's results. We have taken decisive action with regards to these businesses and a number of restructuring processes are in various stages of completion. In certain instances, the restructuring affects separately identifiable pieces of businesses and where this is the case, the results for these pieces are reflected as discontinuing operations. There are other processes that affect certain product ranges and processes of continuing businesses, and in these cases the costs of exiting these areas remain within the continuing operations.
